

You're Invited

To the
4th Grade ALPS

Toy and Game Invention Convention

Monday, November 9, 2015

2:15-3:15

Media Center

In order to prepare for the Young Inventor's Challenge at Navy Pier, the fourth grade ALPS students will be showcasing their toy and game inventions at our Palos East Invention Convention. All fourth grade classes and special people in the building are invited to attend and play-test the games. The ALPS students will be able to make changes to their game based on the feedback from this event. Positive and negative comments can also be used for their product advertising. Stop by at any time throughout the hour!
